Garbage robot In the future

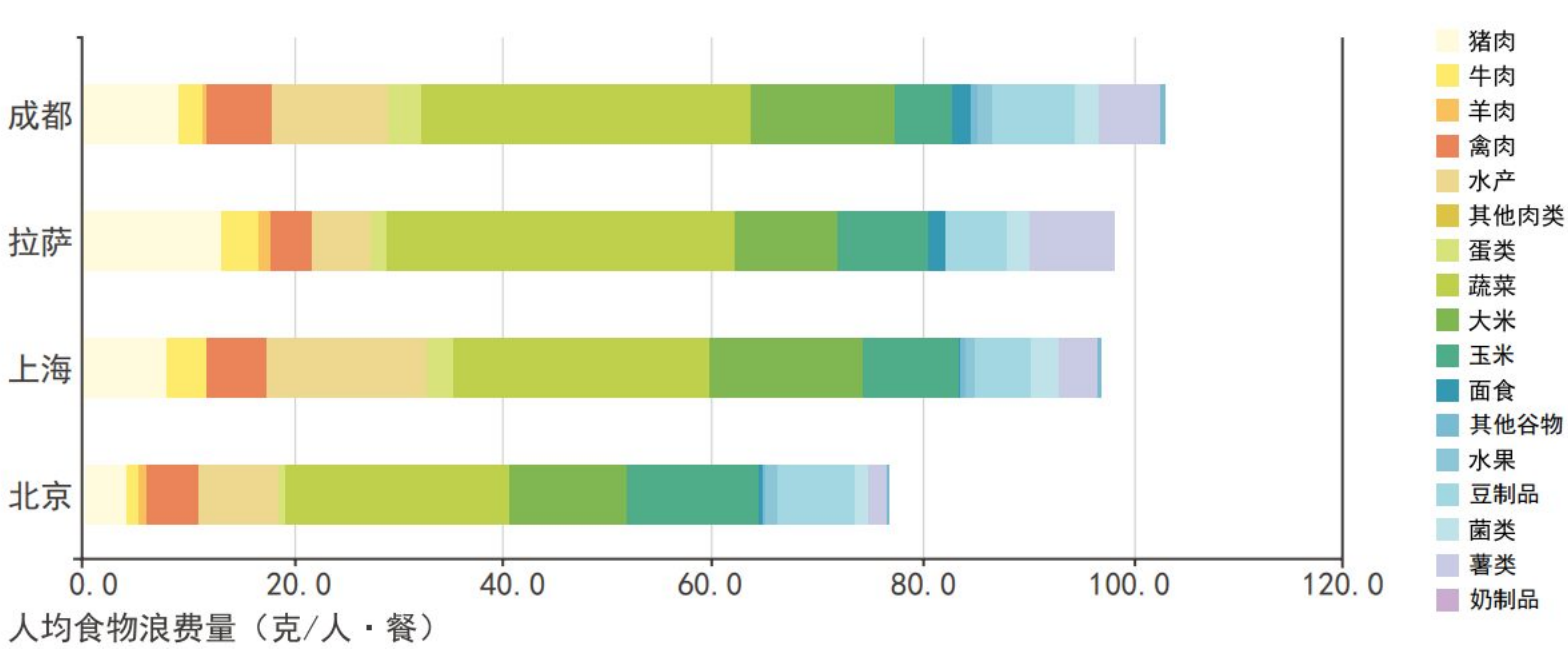

Chang Su

Research-1

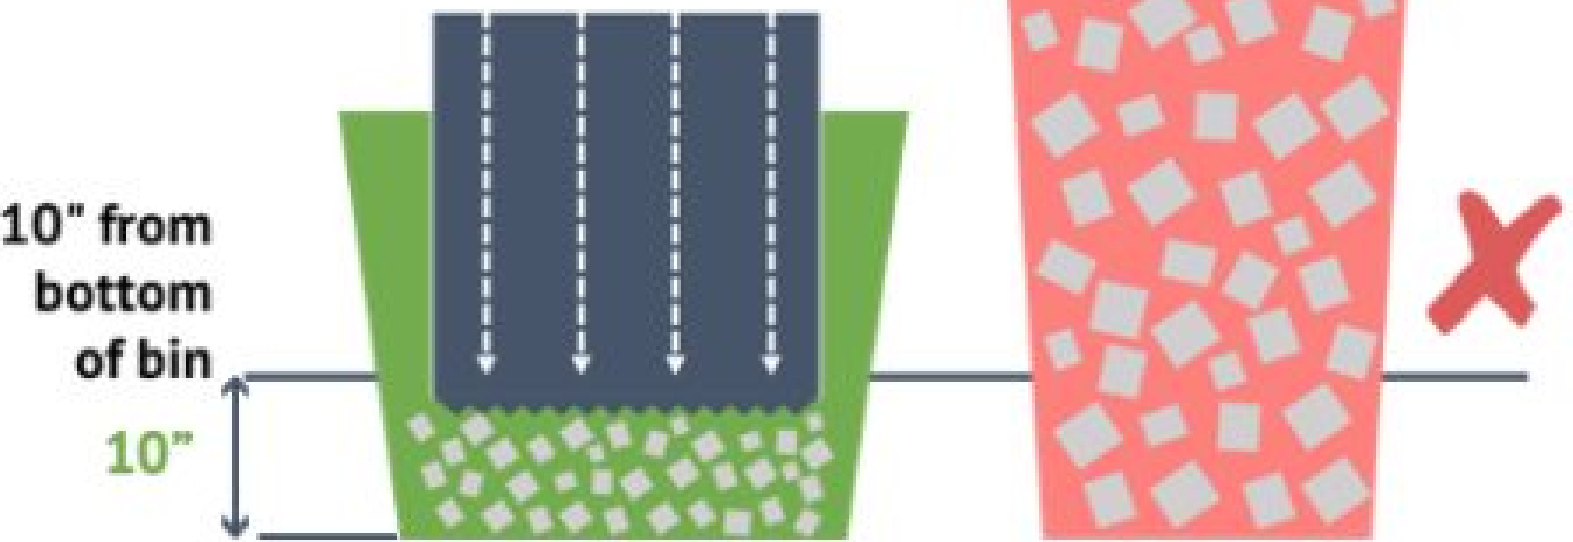

Food waste type ratio

Per capita food waste generation

Ram must reach less than 10" from base of inner bin to compress waste

Greater than 10" = will not compress

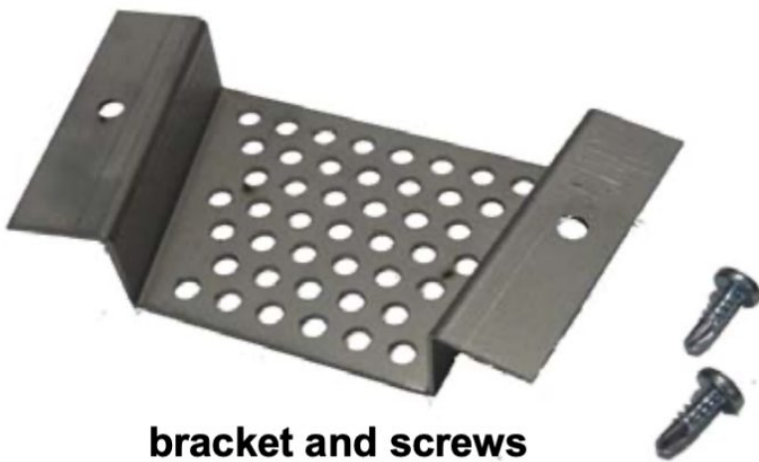

Odor Mask

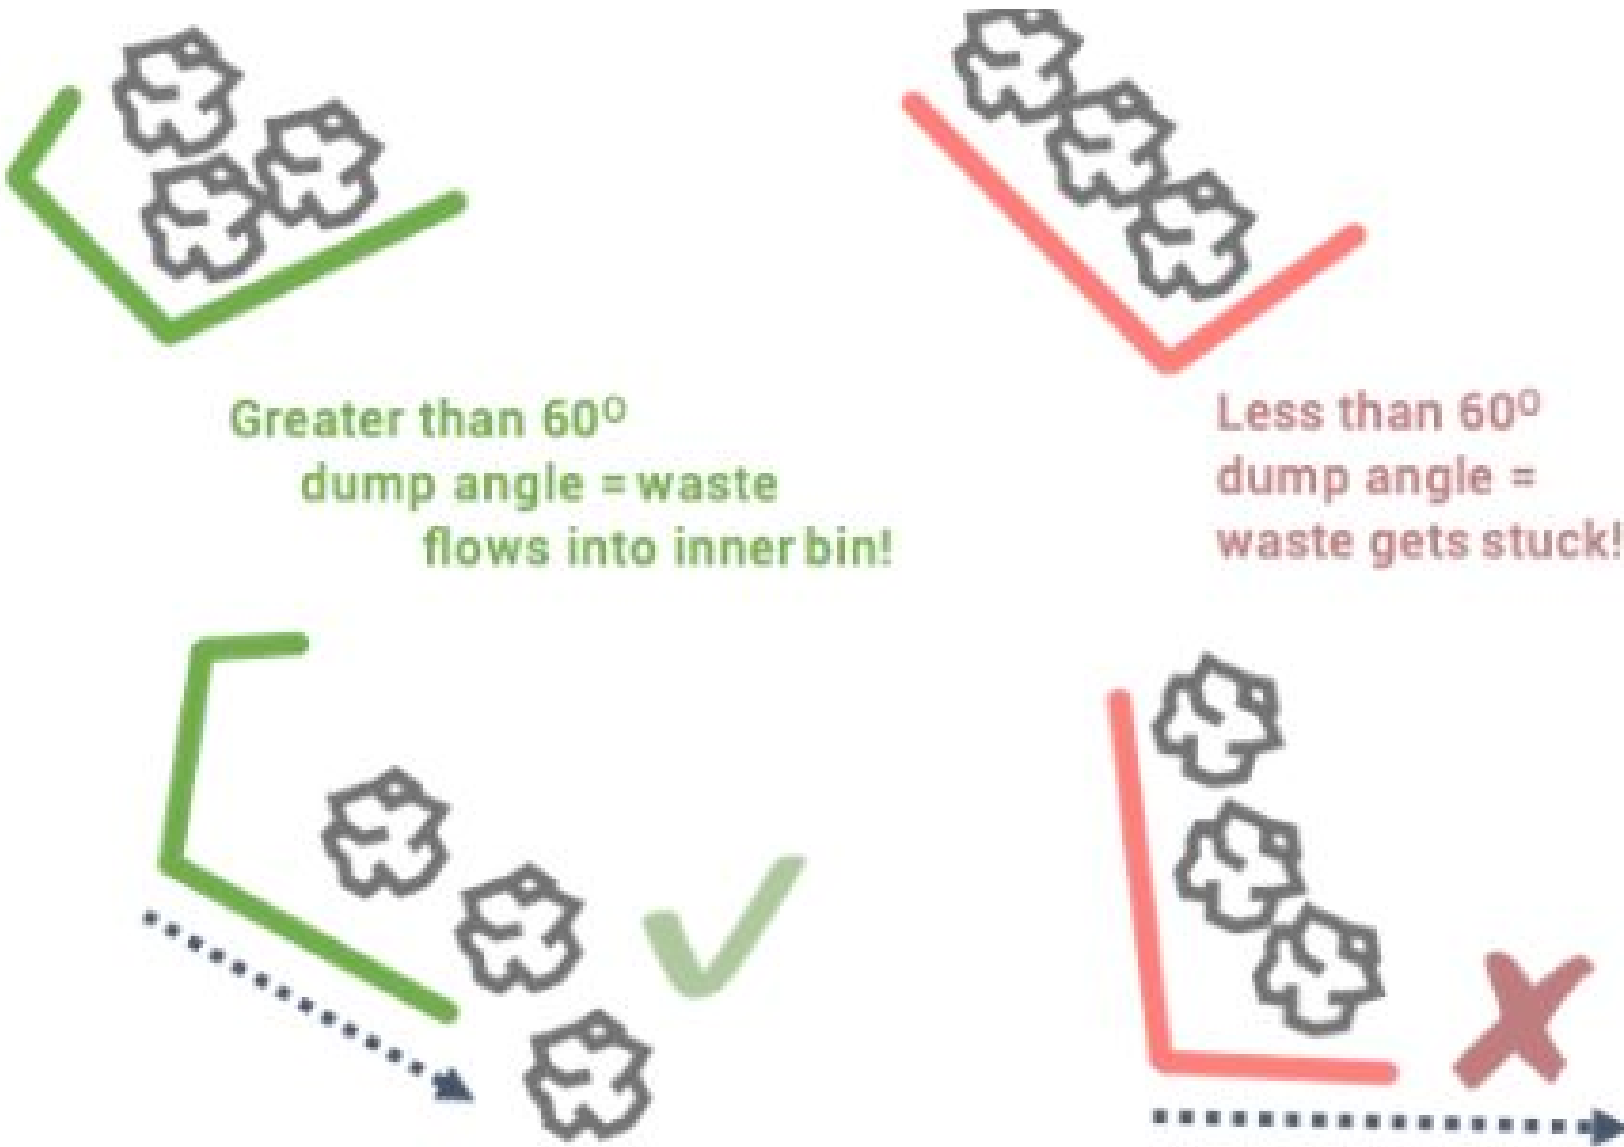

Is your Bigbelly not smelling like roses? Freshen up your smart waste station with the Bigbelly Odor Mask. Available as a factory installed option, or as a retrofit kit, the Odor Mask comes with a bracket, 2 cucumber melon scented disks and instructions. The scent disks last ~30 days and refills kits are available in packs of four.

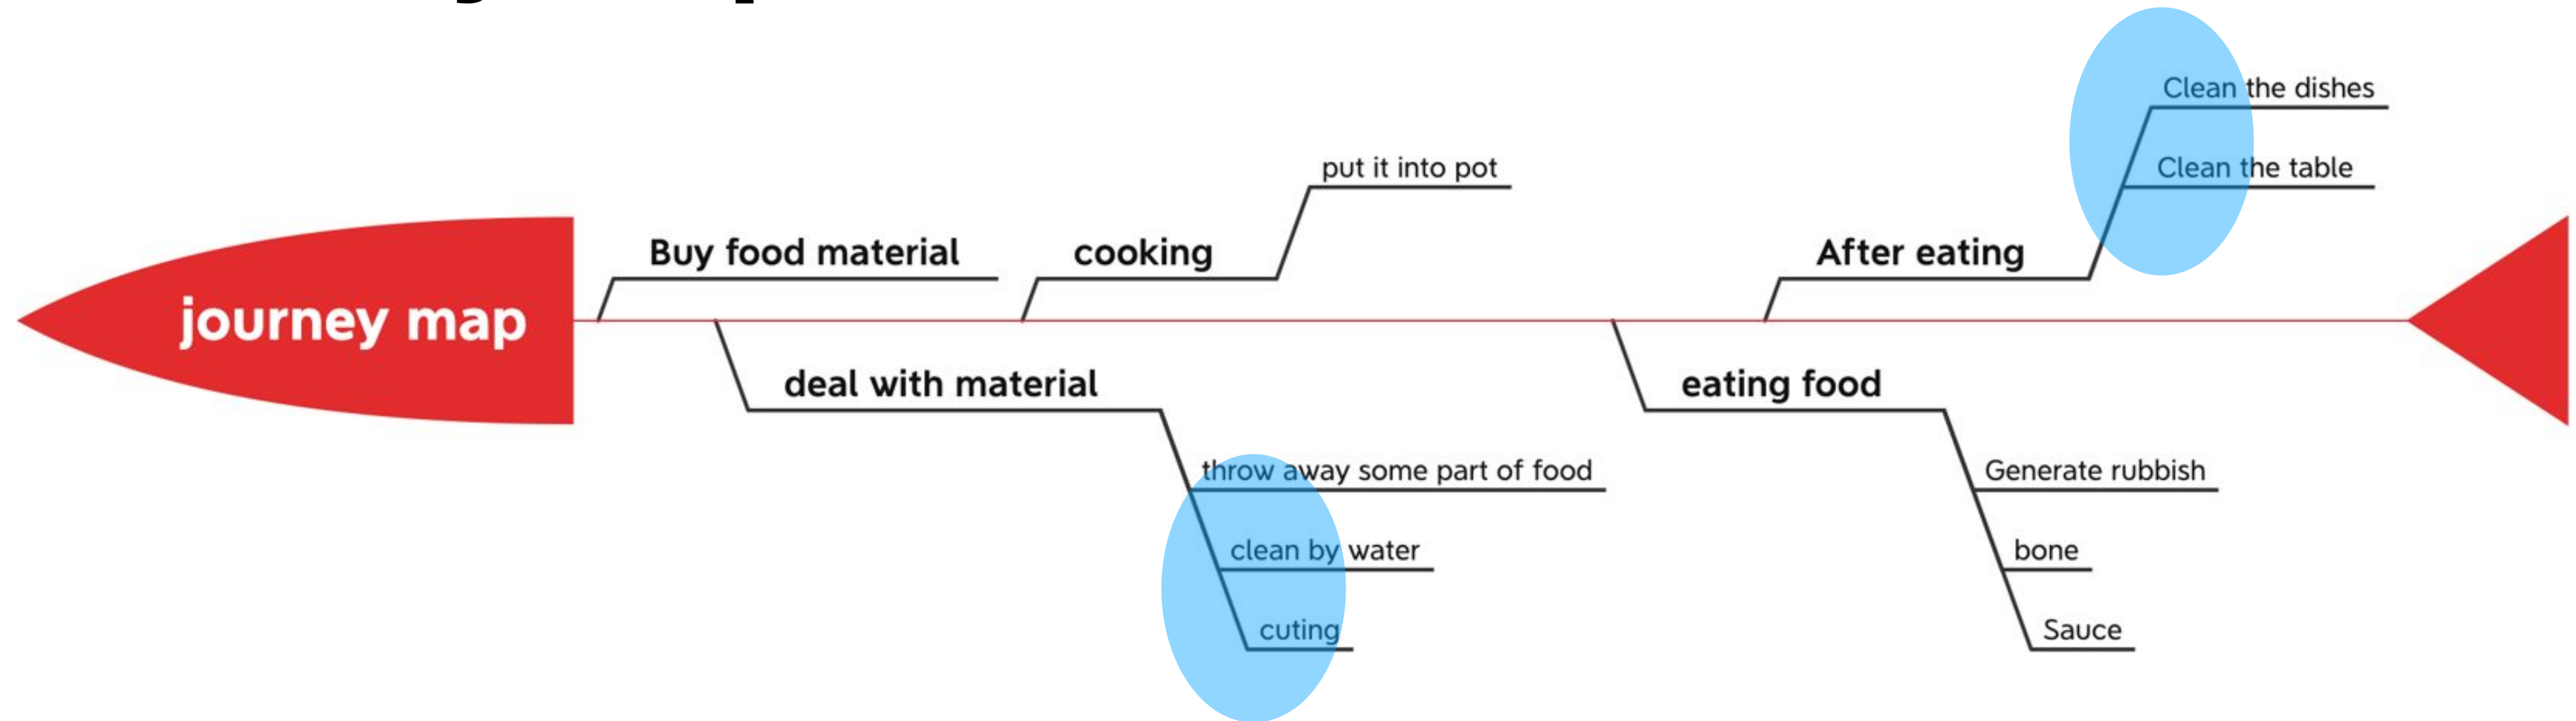

Odor Mask refill

bracket and screws

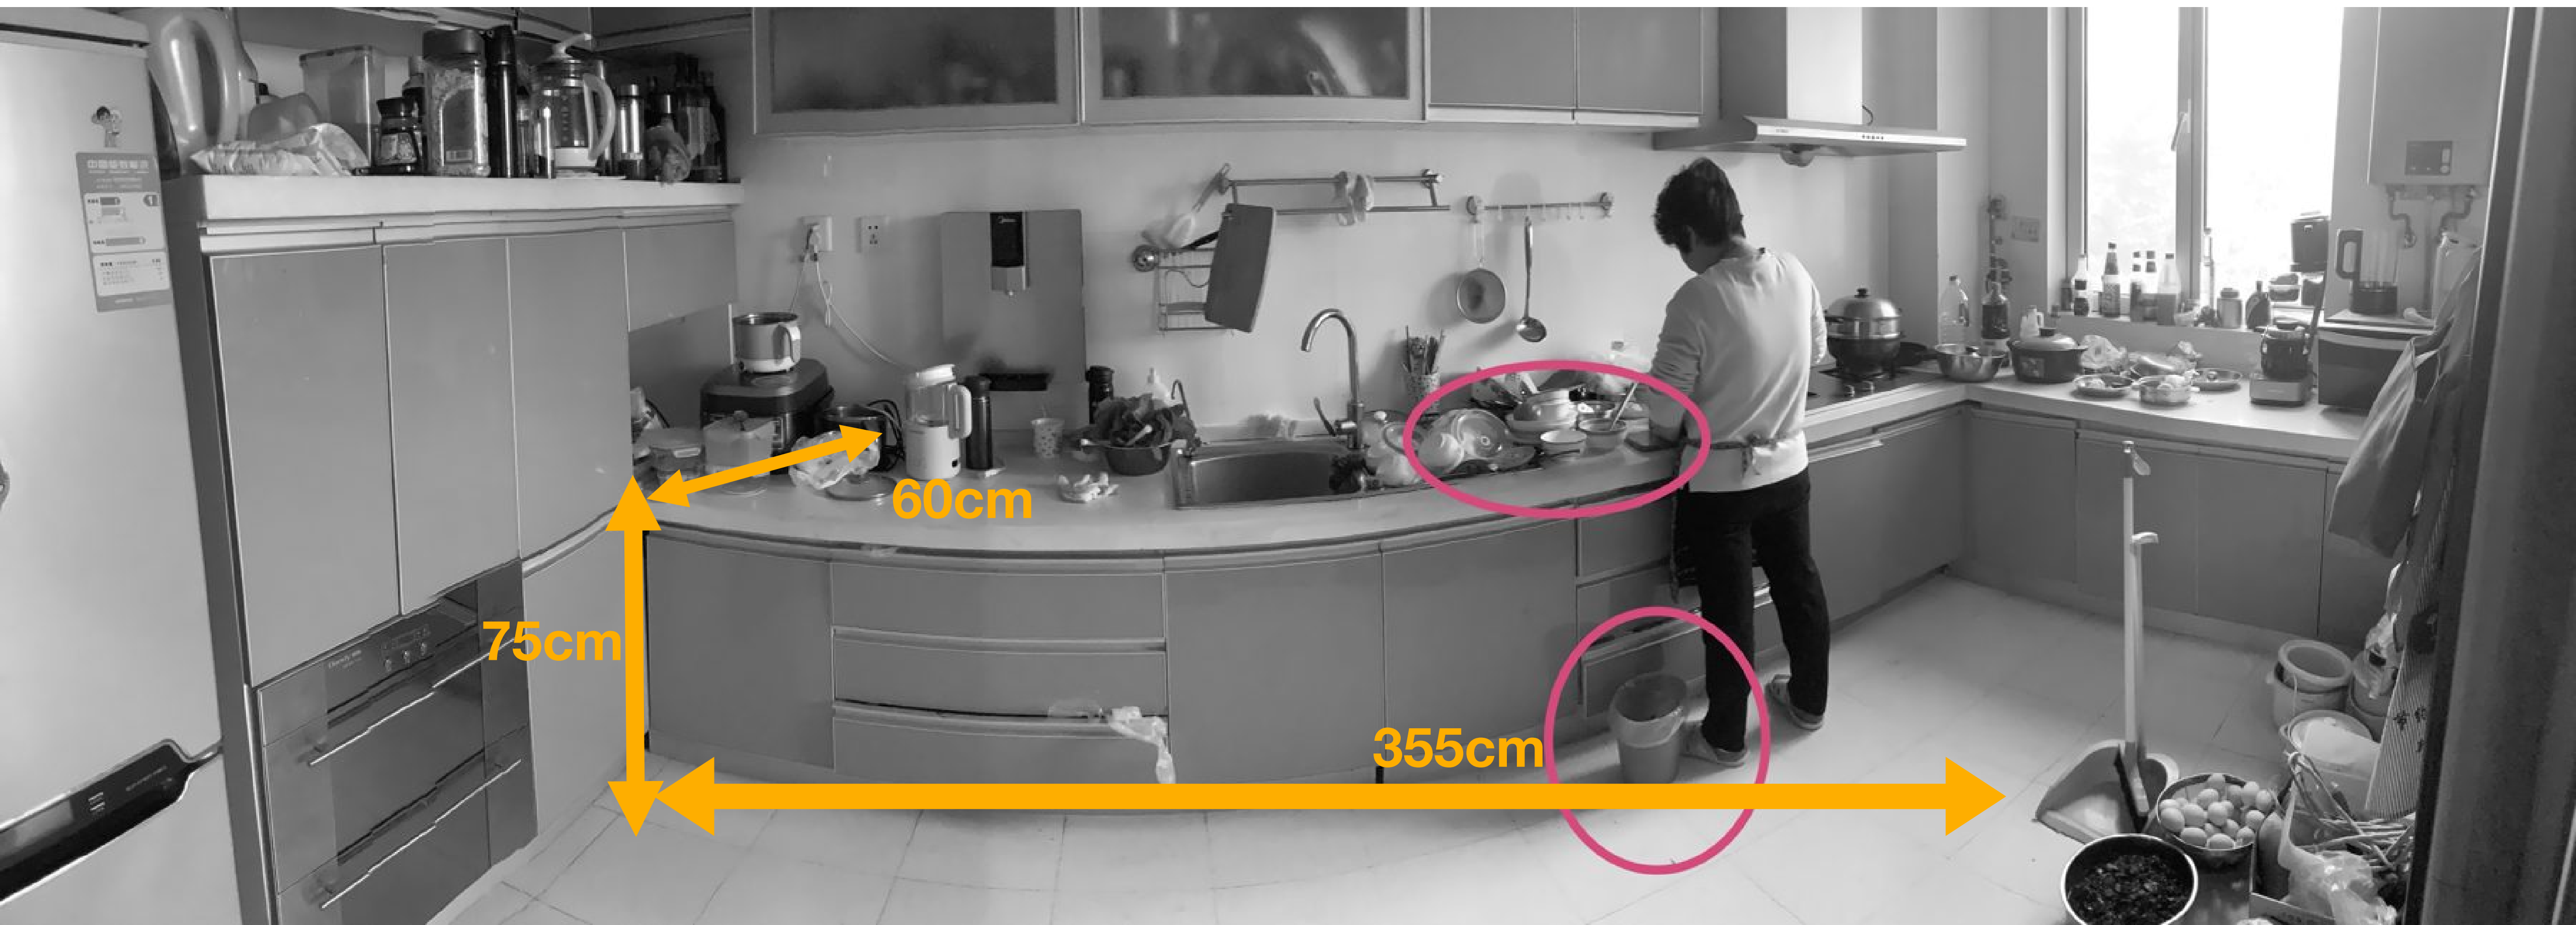

Journey map

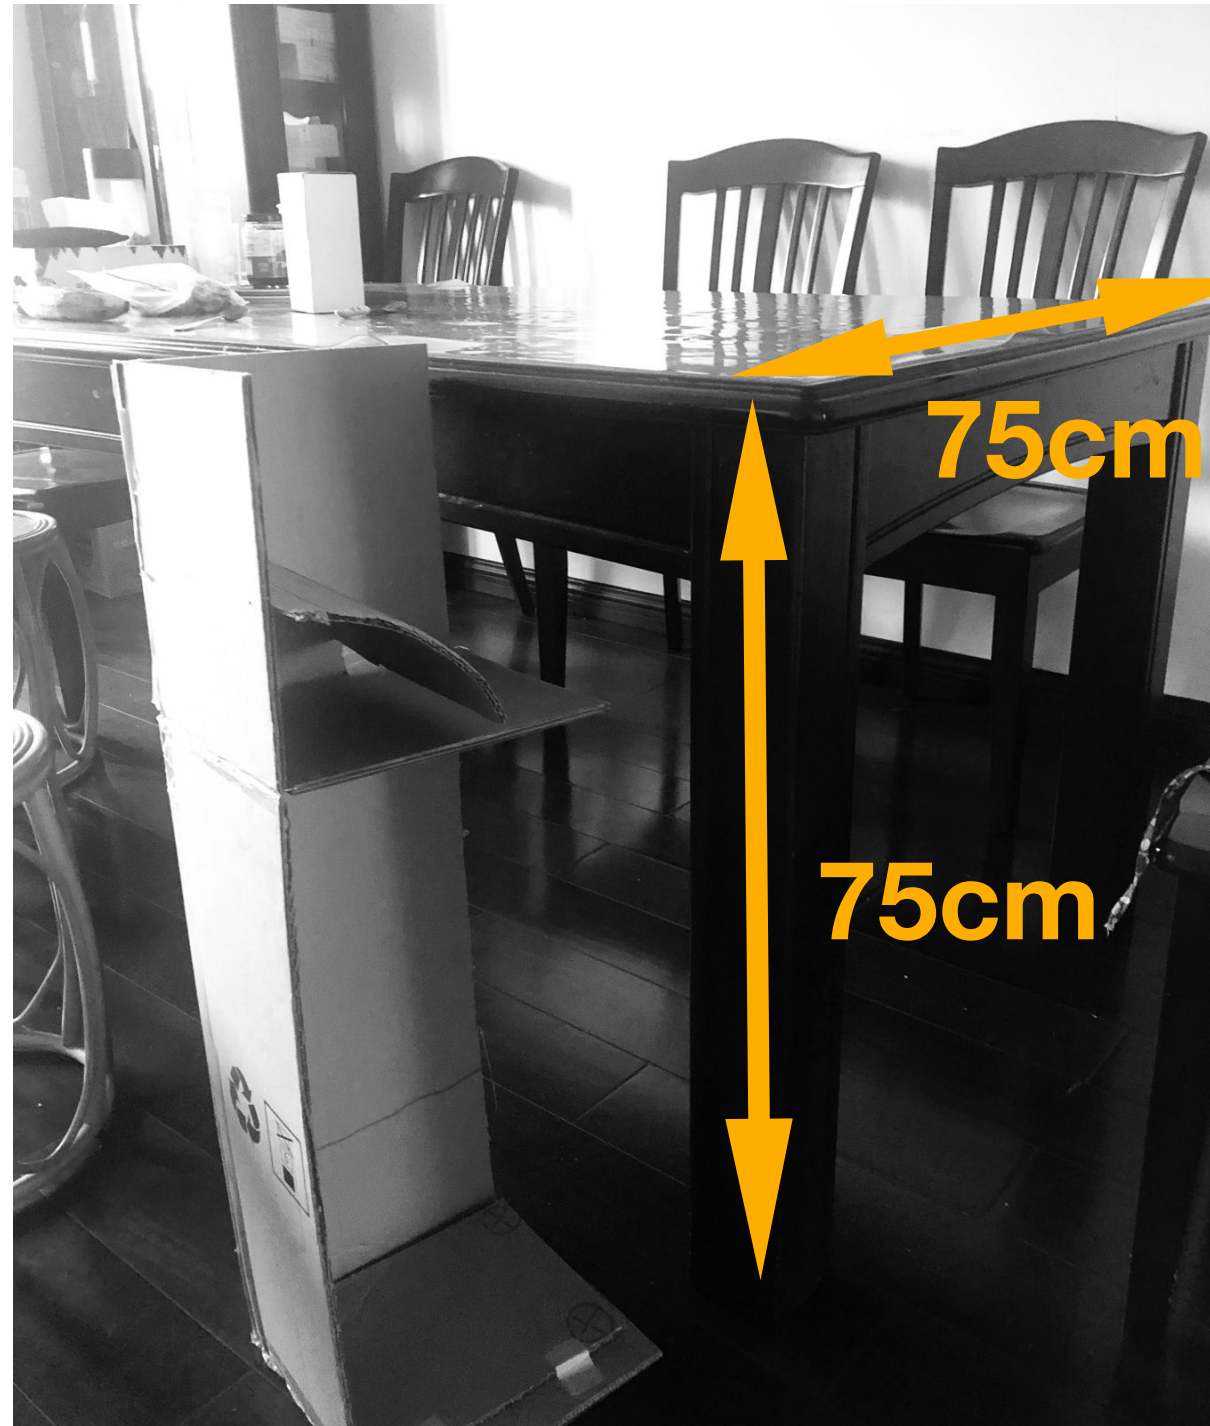

The user journey diagram shows the process of contact between people and food in the family, and **food waste** is most likely to be generated after processing food and meals. Therefore, the garbage robot focuses on the food waste cleaning in these two stages.

Kitchen room

Dining room

How to Free hands?

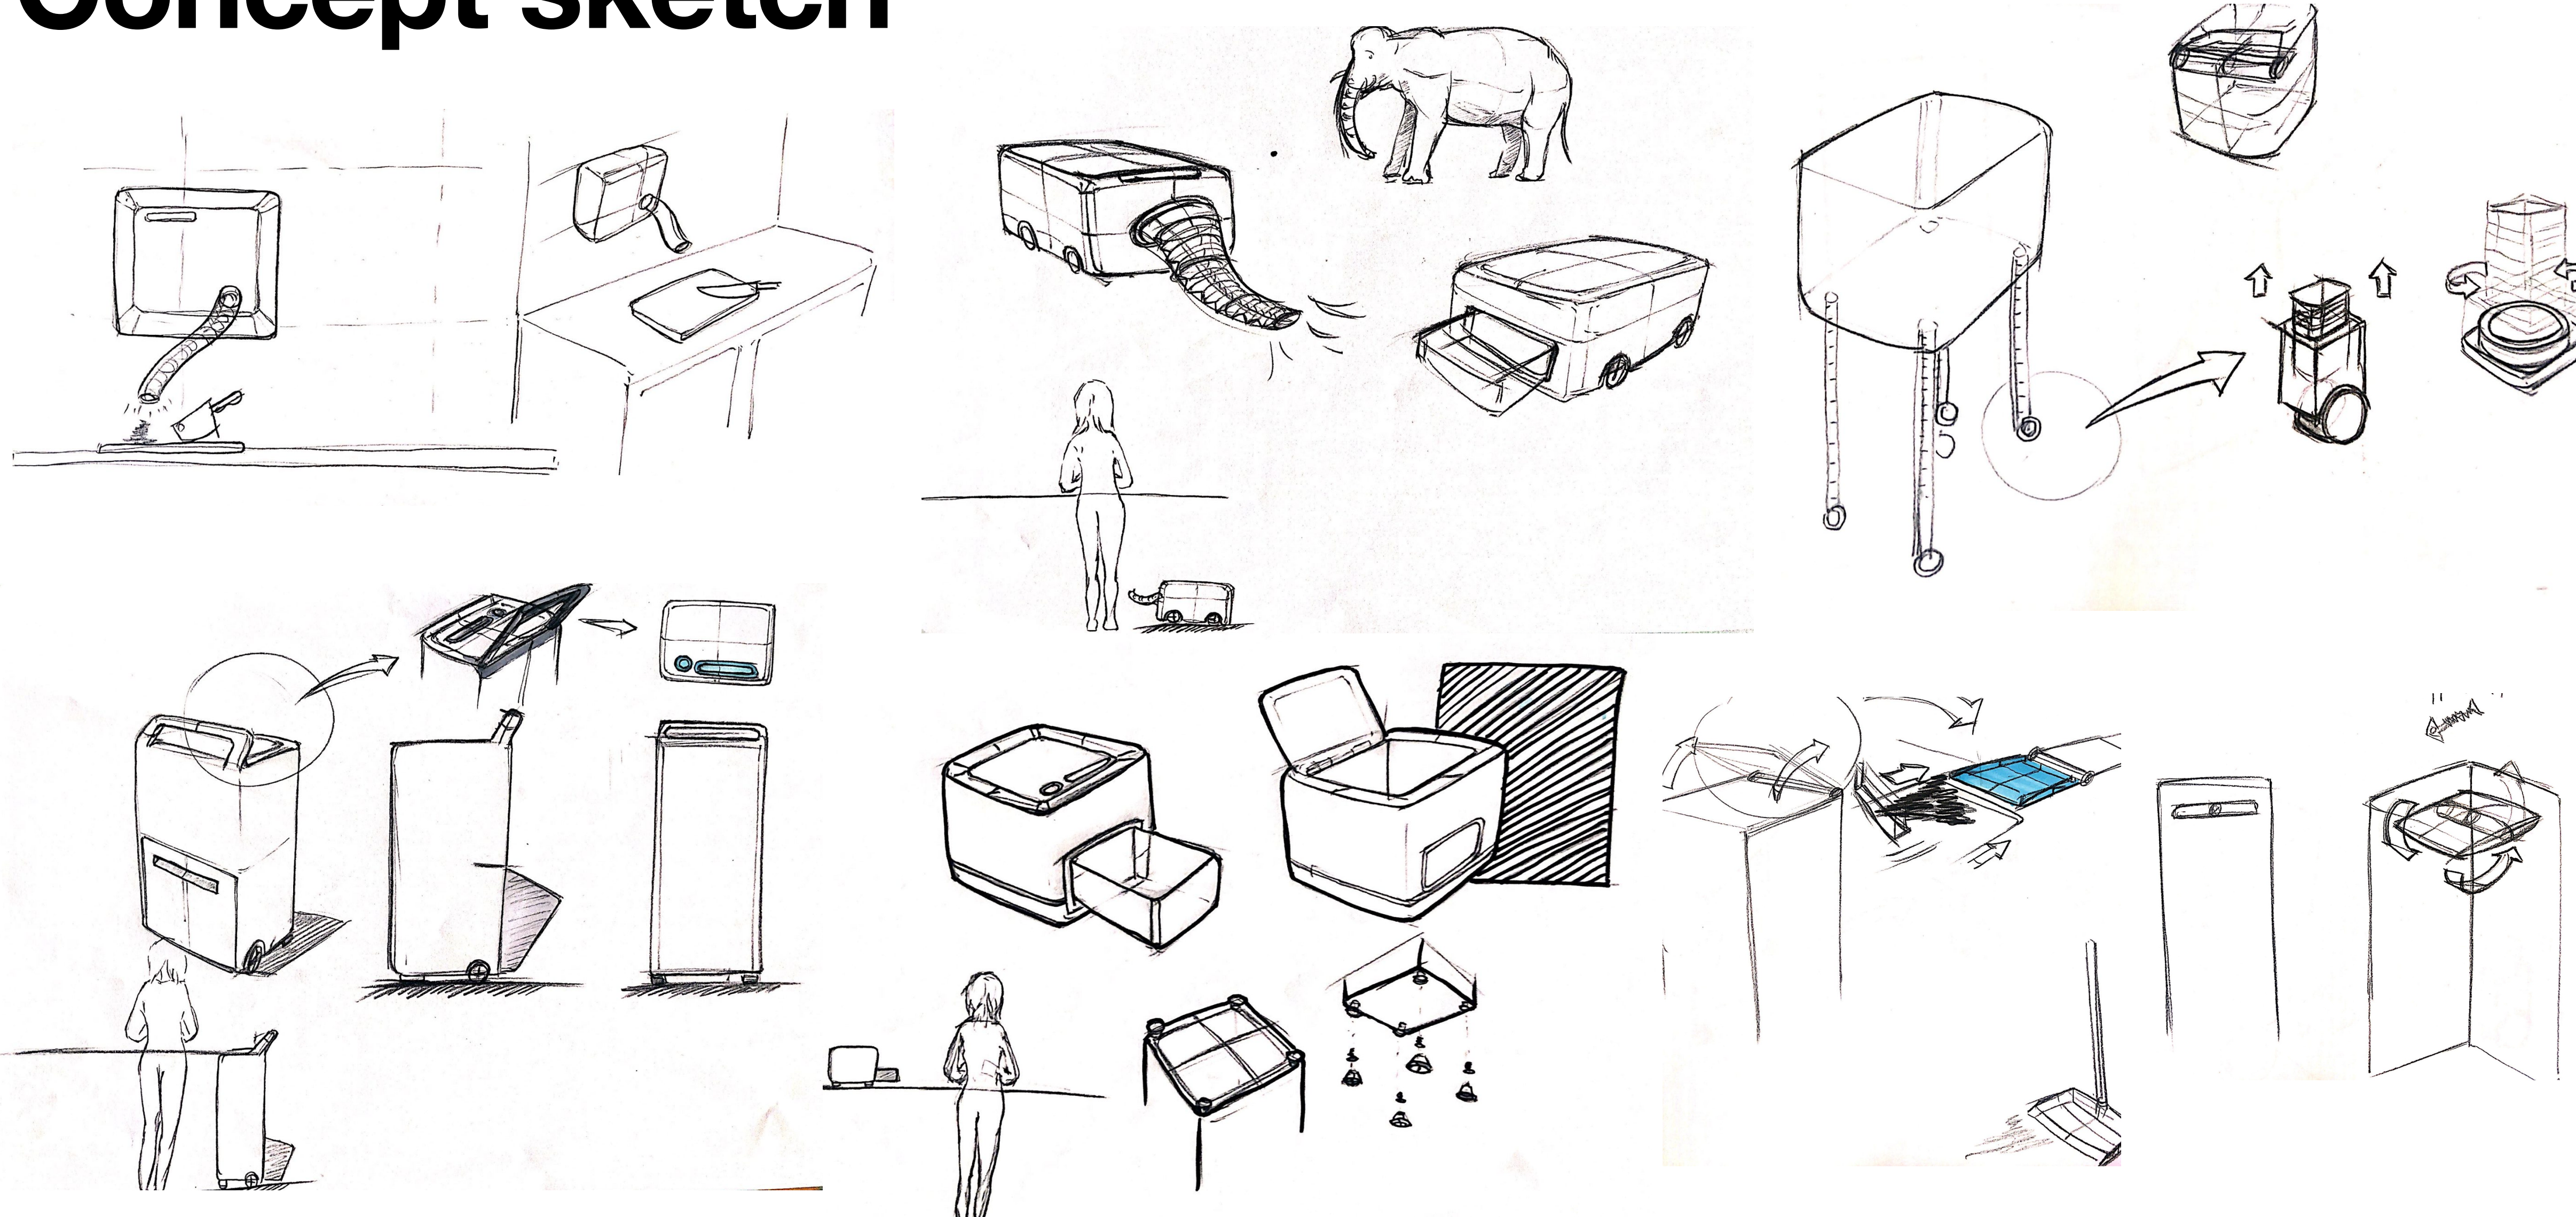

**1.Pour out the garbage
from plate**

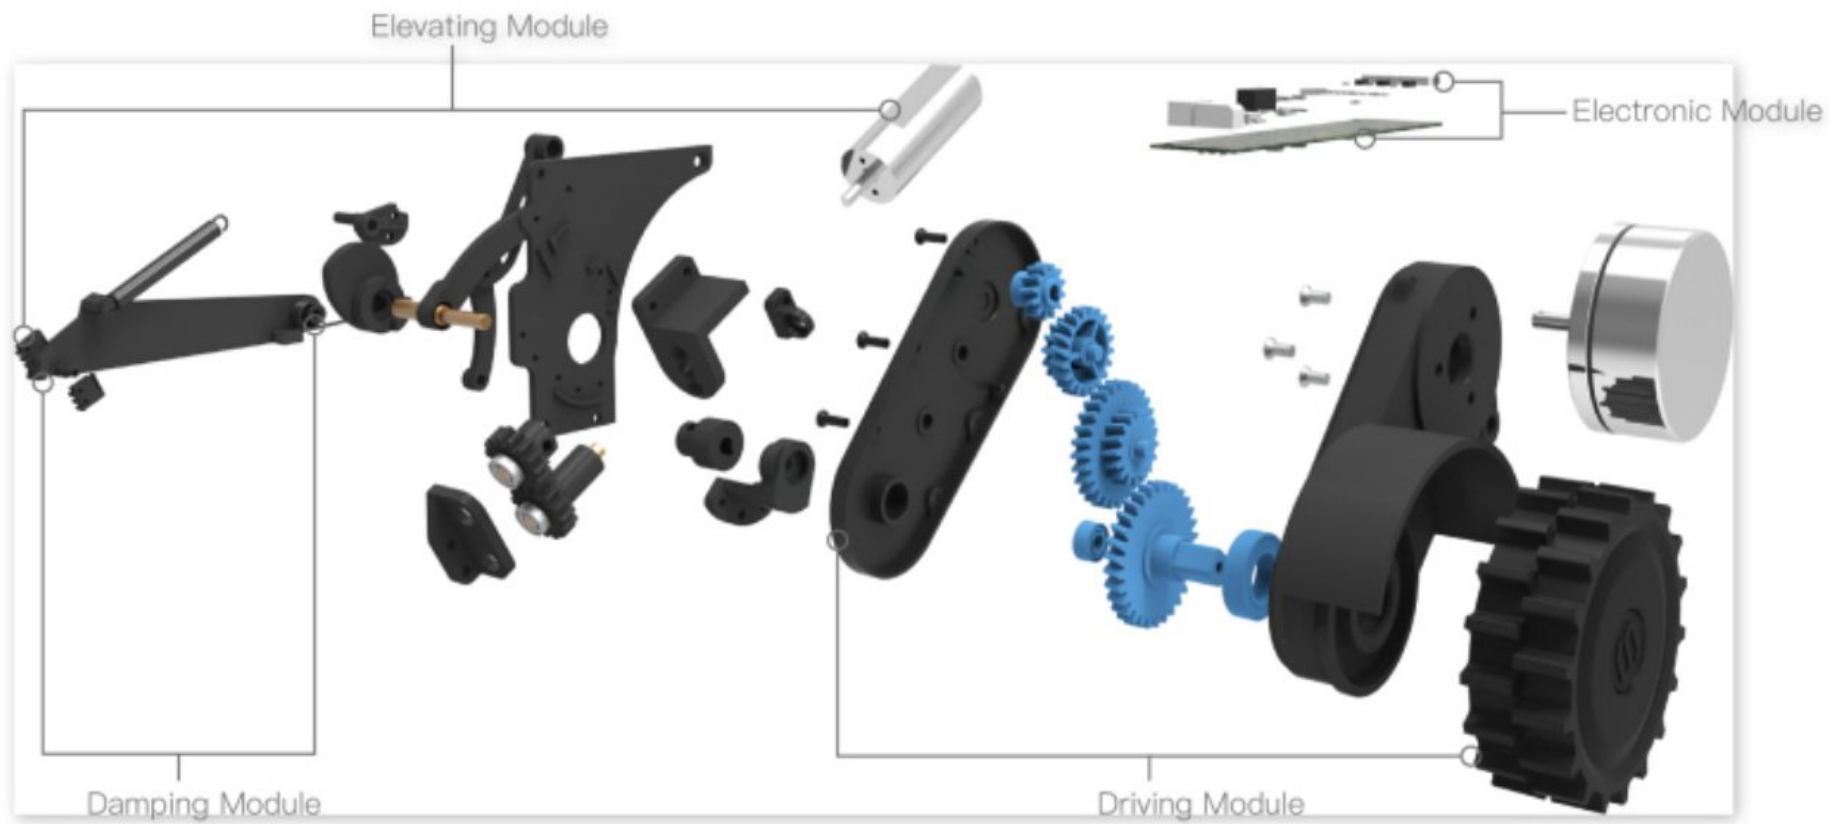

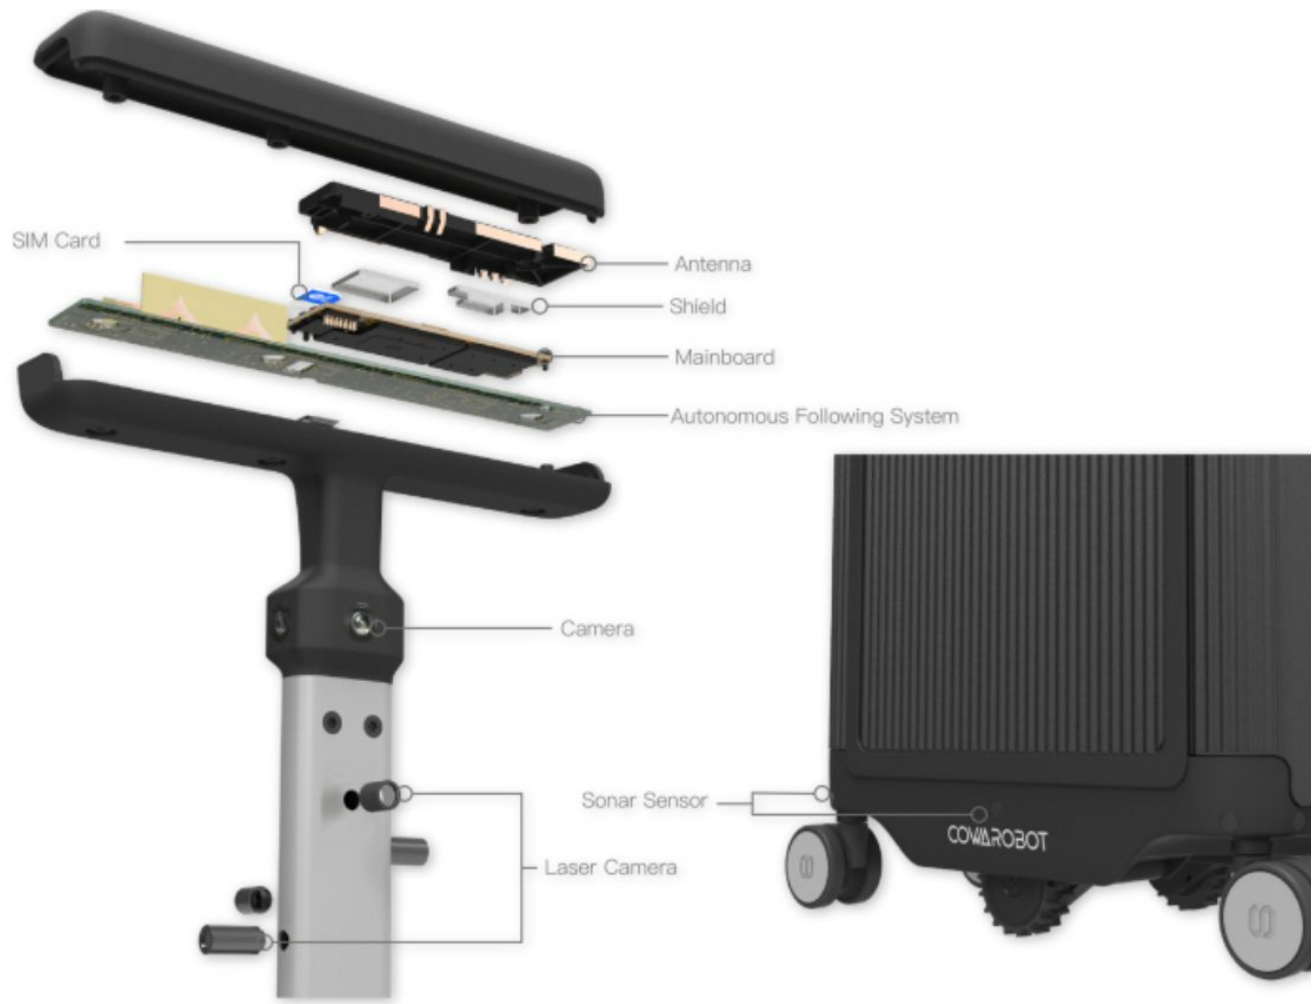

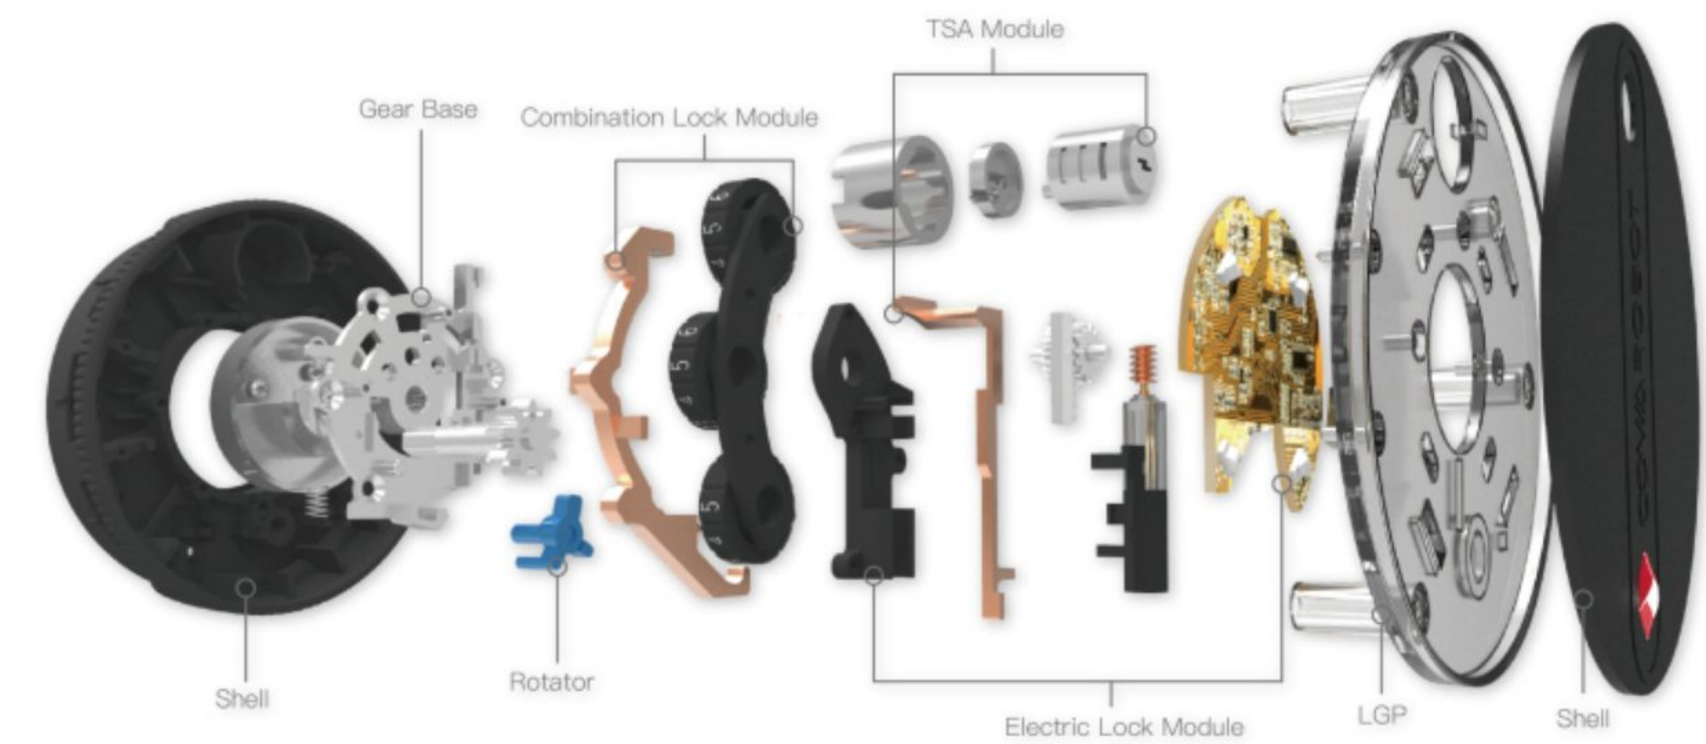

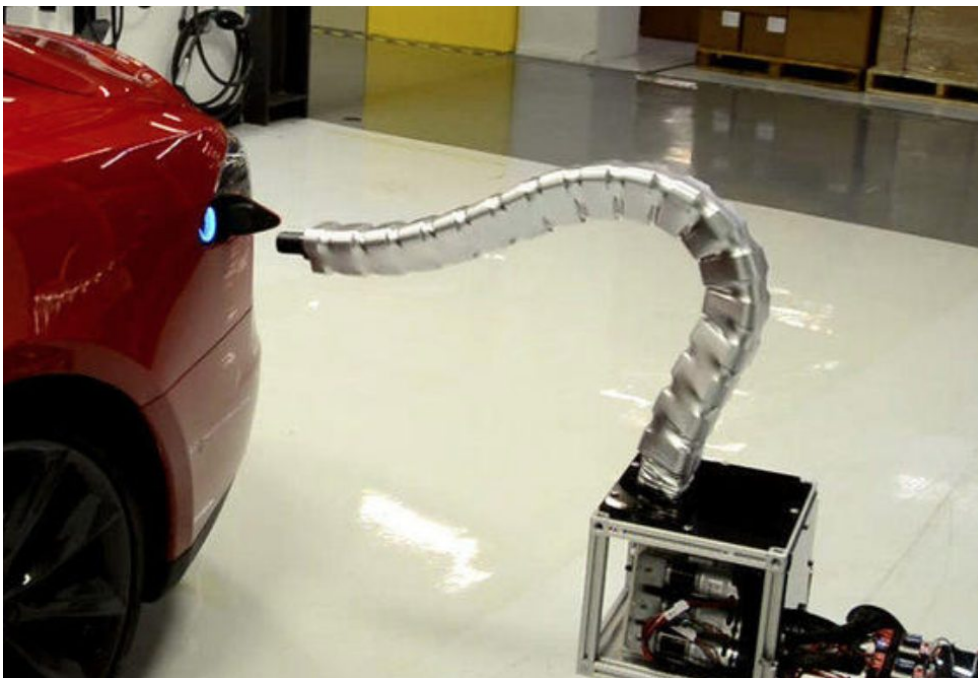

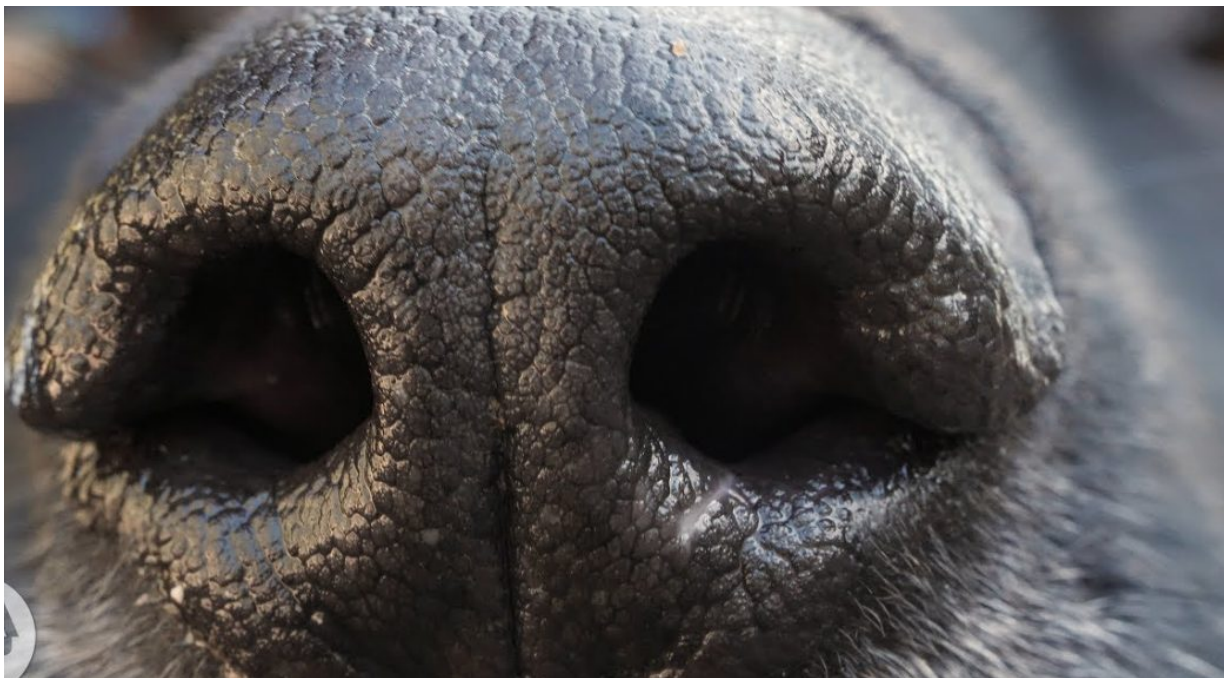

2.Clean up the desktop
